Paul J. van Leeuwen is the Data Protection Officer of the RMAN. He can be reached via  
[info@quantumphysics-consciousness.eu](mailto:info@quantumphysics-consciousness.eu)

## Personal information we process

The RMAN processes your personal data by using our services and/or by providing them to us.

Below you will find an overview of the personal data we process:

- First and last name
- E-mail address

## Special and/or sensitive personal information we process

Our website and/or service does not intend to collect information about customers who are under 16 years of age. Unless they have permission from parents or guardian. However, we cannot verify that a visitor is older than 16. We therefore encourage parents to be involved in their children's online activities to prevent the collection of information about children without parental consent. If you are convinced that we have collected personal information about a minor without that permission, please contact us at [info@kwantumfysica-bewustzijn.nl](mailto:info@kwantumfysica-bewustzijn.nl), we will delete this information.

## For what purpose and on what basis do we base ourselves processing personal information

The RMAN processes your personal data only for sending our newsletter.

## Automated decision making

The RMAN does not take decisions on matters which may (significantly) affect persons on the basis of automated processing. These are decisions that are taken

Are taken's computer programs or systems without a human being (for example, an employee of the RMAN) sitting between them. The RMAN's using the following computer programs or systems: **Email Subscriber plugin for WordPress**

## How long we keep personal information

The RMAN does not retain your personal information for longer than is strictly necessary to achieve the goals for which your data is collected. We have the following retention periods for the personal data stored:

Your details - first name, last name and email address - are automatically and immediately deleted when you cancel the newsletter subscription.

## Sharing personal information with third parties

The RMAN will only provide third parties and only if this is necessary for the performance of our agreement with you or to comply with a legal obligation.

## Cookies, or similar techniques, which we use

The RMAN does not use cookies or similar techniques.

## View, modify, or delete data

You have the right to view, correct or delete your personal information. In addition, you have the right to withdraw your consent to the data processing or to object to the processing of your personal data by the RMAN and you have the right to data transfer. This means that you can submit a request to us to send the personal data we have in your computer file to you or another organization you mentioned.

You may send a request for access, correction, deletion, data transfer of your personal data or request for revocation of your consent or request for review of the processing of your personal data to [info@kwantumfysica-bewustzijn.nl](mailto:info@kwantumfysica-bewustzijn.nl).

To ensure that the request for review has been made by you, please enclose a copy of your identification document with the request. In this copy, make your passport photo, MRZ (machine readable zone, the strip with numbers at the bottom of the passport), passport number and social security number (BSN) black. This is to protect your privacy. We will respond to your request as soon as possible, but within four weeks.

The RMAN would also like to point out that you have the opportunity to lodge a complaint with the national supervisory authority, the Personal Data Authority. This can be done via the following link:  
<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

## How we protect personal information

The RMAN takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unauthorized disclosure and unauthorized alteration. If you feel that your data is not secure or there are indications of misuse, please contact [info@quantumphysics-consciousness.eu](mailto:info@quantumphysics-consciousness.eu)
